The Home Page
These will be the two areas within New Innovations that you will be working!
My Favorites

Add/Remove Favorites

Check the box next to the items you would like to appear in your Favorites list.

For easier maneuvering right from your home page, you can build your own list of favorites around what is required for the clerkship. To remove or add an item in your favorites, click on Add/Remove and then uncheck or check the items you prefer.
Notifications

The notifications dialog box will indicate if you have any evaluations to complete. Just click on “evaluations to complete” and you will go right to evaluations that you need to complete.
Evaluations

Click Evaluate to complete

Log Cases

- Enter Student Info
- **PX INFO:** If applicable, choose “Procedure Group” (neuro patient experience/neuro procedure), followed by the appropriate procedure in the “Procedure” drop down menu.
- **DK INFO:** If applicable, choose neurology under the “Diagnosis Group” drop down, followed by the appropriate diagnosis form the Diagnosis drop down menu. You can choose more than one diagnosis by holding down the ctrl key while making your selections.
- Be sure to fill in all required fields marked by *.
- **Click Save and Retain** if you want to log the patient and keep the fields as they are for the next patient, or **Save and Clear** to log the patient and clear the form if you want to enter a patient from scratch.
- **Click View Log Listing** to see Procedures logged
You can view all cases that you have logged by clicking on the “View” tab. You can alter the way your cases appear by using “filters” (which will filter by date) or by adding or deleting certain columns by clicking on the “Columns” tab.

Customize the “Columns” to include the following: Date of Log, Procedure Name, Diagnosis Name, Supervisor Name, Patient Age, Patient Gender, Case Location, Role in Case, Visit Type, Student Comments. You can increase the logs to 50 per page.
To view the required Diagnoses/Procedures for the neurology clerkship, under the logger tab, choose “Requirements Summary”, choose your class or you can enter the date of your specific rotation. The “target” column indicates the required amount necessary. Also, when you are entering a case and you choose a specific diagnoses/procedure a number will appear below the drop-down box of the required amount.
Thank you for using New Innovations!
